As a Real Estate professional for the past 21 years I believe that I have valuable field experience that I would like to share with my community. I hold a FL Broker's license and a FL Instructor's permit. In addition to operating a small real estate office I also teach the pre-license state required course to obtain a real estate license. I currently teach for A+Schools of Real Estate. Education and communication are our most valuable assets and it would be my honor to share my knowledge with my community while gaining more knowledge of my community to share with my students and clients.
