3. PERSONAL APPEARANCES / PRESENTATIONS

A. Presentation: Students Working Against Tobacco (Promotion of Tobacco Free Parks)

This item was addressed at a later time during the meeting as the student who was responsible for the presentation had not arrived at this time in the meeting. The student from Rockledge High School gave members statistics on the dangers of second-hand smoke. He briefly discussed the practice of vaping (vaping has not been around long enough to determine exactly how dangerous it might be). He also informed members that one has to be at least 25 feet away from someone who is smoking before they can breathe fresh air, free of smoke. And he also informed Committee members that were present that it takes approximately 15 years for cigarette butts to decompose.

Valorie James, 715 Aurora Street, Cocoa, FL, Program Manager for Brevard Students Against Tobacco appeared before the Board and gave a brief overview of the SWAT Program. At this time it consists of members from six different schools and members from the community as well.

Caitlen Christenson, 3905 Harvest Circle, Rockledge, FL introduced herself as the SWAT Program Coordinator. She stated she is working with Beth Scarborough at Rockledge High on Rockledge's program. Ms. Christenson stated she advocates education for students so they can make an informed decision when faced with having to make a decision as to whether they'll choose to smoke or not.

A brief discussion ensued regarding "freedom of choice" and the ability to make decisions for one's self. When asked by the Chairman of the Board what they were seeking they were informed that they'd like to see the Board come out in support of the initiative in Rockledge and County-wide. A brief discussion ensued regarding freedom of choice and a motion was made:

By motion of Lauren Corbin, seconded by Ryan Cox, the Board moved to recommend support of SWAT's (Students Working against Tobacco) Promotion of Tobacco Free Parks throughout Rockledge parks and parks county-wide to City Council. Motion passed with a majority vote of: Four "Ayes" (Ryan Cox, Michelle Doyle, Laura Corbin, and Orville Susong) with one "Nay" from Rick Parrish.
