Rockledge Building Department

**ELEVATION AND DRAIN PLAN
ACKNOWLEDGEMENT FORM**

Builder's Name: _____ Date: _____

Location: _____ Permit NO: _____

SECTION 1

This is to acknowledge that the Finished Elevation of the aforementioned address will have a minimum elevation of at least 18" (eighteen inches) above the crown of the road, LDR 50.63, on which the lot affronts or per approved engineered site plan or as approved by the City of Rockledge. City of Rockledge Public Works Department approval shall be required for all building permits. No change will be made in the maximum elevation without expressed written approval of the Rockledge Building Official.

SECTION 2

This will also acknowledge that the aforementioned lot will be graded as shown on the submitted drainage site plan, approved subdivision drainage plan and per FRC R401.3. However, if the drainage of said lot is found to be inadequate, the Builder shall agree to cause all surface, storm, flood and other waters to adequately and suitably drain back to conform to the approved Subdivision plan.
